

**ADDENDUM #1 - SERVICE AREA 3 WATERMAIN REHAB PHASE 2 PROJECT**

**Question 1.-** Was there an Engineer's Estimate?

**Response: Engineer's opinion of probable cost for the Base Bid portion of the project was \$2,310,000 (Inclusive of 10% contract contingency).**

**Question 2.-** Is the Hardee County Permit to be paid for by the City or Contractor?

**Response: Hardee County Permit and other permits required (i.e. NPDES) is to be paid for by the Contractor. FDEP Water Permit is already received and paid for.**

**Question 3. –** Are there any MBE/WBE requirements?

**Response: No, but it is encouraged.**

**Question 4.-** Is there a local preference?

**Response: There will be a selection committee with specific scoring criteria and location of company is a consideration; however, local preference is not the only item the selection committee will consider.**
