This RFQ is for professional engineering services in conjunction with the Melendy Street Resurfacing Project. The proposed scope of work includes addressing road and geometric design issues with the existing road, reconstruction and widening of the existing roadway, reworking shoulders, replacement of deficient cross and side drains, and replacement of signage to meet new retro reflectivity standards.

The selection process for consultants' services is in accordance with Section 287.055, Florida Statutes, the Consultants' Competitive Negotiation Act. The selection committee will review the qualifications of all submitting firms. The City reserves the right to determine, at its sole discretion, whether the statement of qualifications satisfactorily meets the criteria established in this RFQ, and the right to seek clarification from any firm(s) submitting qualifications. Only those judged to be qualified proposals will be further evaluated for possible short-listing. Those firms short-listed may be requested to make presentations to the selection committee. During the review process, and until the final selection has been made by the City Commission, prospective consultants are prohibited from meeting with or discussing a submittal with any member of the selection committee or the City Commission.

All interested parties must submit the requested information within the time frame provided herein. Statements of qualifications shall be prepared with the utmost attention to fair, ethical evaluation standards.

It is the intent of the City to select and negotiate Master Consulting Agreements with one (1) or more firms to provide professional engineering services in conjunction with the Melendy Street Resurfacing Project. Consultants will be chosen based upon the expertise and experience listed as it pertains to the work described. Selection of one or more qualified firms under this RFQ is not a guarantee of work. No Consultant shall be employed as the City's exclusive consultant.

The term of the Master Consulting Agreement will be for the period of time necessary to complete the Melendy Street Resurfacing Project.

During contract negotiations, the City will negotiate fee schedules in accordance with the Purchasing Procedures set forth in the City's Purchasing Policy, with the goal of establishing standardized rates. The fee schedule may be adjusted upon mutual written agreement, no earlier than one year from the effective date of the agreement.

All work must be performed in accordance with applicable Federal, State and Local regulations. It shall be the responsibility of the Consultant to administer, monitor, and inspect the Construction Contract such that the project is constructed in reasonable conformity with the plans, specifications, and special provisions of the Construction Contract. The Consultant shall observe the Contractor's work to determine the progress and quality of work, identify discrepancies, report significant discrepancies to the City, and direct the Contractor to correct such observed discrepancies.

The Consultant shall consult with the Construction Project Engineer and shall direct all issues that exceed the Consultant's delegated authority to the Construction Project Engineer for City action or direction. The Consultant shall advise the Construction Project Engineer of any significant omissions, substitutions, defects, and deficiencies noted in the work of the Contractor and the corrective action that has been directed to be performed by the Contractor. Work provided by the Consultant shall not relieve the Contractor of responsibility for the satisfactory performance of the Construction Contract.

The Consultant shall monitor the Contractor's on-site construction activities and inspect materials entering into the work in accordance with the plans, specifications, and special provisions for the Construction Contract to determine that the projects are constructed in reasonable conformity with such documents. The Consultant shall keep detailed accurate records of the Contractor's daily operations and of significant events that affect the work.

The Consultant shall perform sampling and testing of component materials and completed work in accordance with the Construction Contract documents. The Consultant shall provide daily surveillance of the Contractor's Quality Control activities at the project site and perform the sampling and testing of materials and completed work items that are normally done in the vicinity of the project for verification and acceptance. The Consultant shall coordinate through the City any inspection and sampling of materials and components at locations remote from the vicinity of the project and testing of materials normally done in a laboratory remote from the project site. The Consultant shall be specifically responsible for job control samples determining the acceptability of all materials and completed work items on the basis of either test results or verification of a certification, certified mill analysis, DOT label, DOT stamp, etc. The City may monitor the effectiveness of the Consultant's testing procedures through surveillance and obtaining and testing independent assurance samples. For any proposed Supplemental Agreement, the Consultant shall prepare the Supplemental

Agreement as a recommendation to the City, which the City may accept, modify or reject upon review.

EXPECTATIONS OF SELECTED FIRMS

The Consultant shall be responsible for the accuracy of the work and shall promptly correct its errors and omissions without additional compensation. Acceptance of the work by the City of Wauchula will not relieve the Consultant of the responsibility for subsequent correction of any errors and the clarification of any ambiguities.

At any time during the construction of the improvements provided for by the plans, or during any phase of work performed by others based on data secured by the Consultant under the Agreement, the Consultant shall confer with the City for the purpose of interpreting the information obtained and to correct any errors or omissions made by it. Various provisions of Chapters 287 and 295, Florida Statutes, provide qualifying vendors the advantage of "tie breakers" whenever two or more bids, proposals, or replies received by an agency are equal with respect to price, quality, and service. In order to take advantage of these "tie breakers," a vendor who meets the statutory qualifications of one or more of these "tie

breakers” must certify that it qualifies for the cited preference. Completion of a certification is optional for qualifying vendors; however, a vendor waives all rights to consideration of a “tie breaker” if it fails to submit the certification on or before the deadline to submit its bid, proposal, or response.

The City will provide notice of its decision or intended decision by electronic posting. Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under chapter 120, Florida Statutes.

Any person adversely affected by the City’s decision or intended decision shall file with the agency a notice of protest in writing within 72 hours after the posting of the notice of decision or intended decision.

With respect to a protest of the terms, conditions, and specifications contained in a solicitation, including any provisions governing the methods for ranking bids, proposals, or replies, awarding contracts, reserving rights of further negotiation, or modifying or amending any contract, the notice of protest shall be filed in writing within 72 hours after the posting of the solicitation. WHEREAS, pursuant to section 287.05701, Florida Statutes, the City is prohibited from, and has not requested documentation of or considered, any vendor’s social, political, or ideological interests when determining whether the vendor is a responsible vendor. Moreover, the City has not given preference to any vendor based on the vendor’s social, political, or ideological interests; and

WHEREAS, CONSULTANT represents it is capable and prepared to provide such Services;

NOW, THEREFORE, in consideration of the promises contained herein, the parties hereto agree as follows:

1.0 Term

1.1 This Agreement shall take effect on the date of its execution by the City Manager.

1.2 The term of this Agreement shall commence upon the effective date of this Agreement and shall continue through the completion of the Melendy Street Resurfacing Project, which Completion Date the City will communicate to the Consultant in writing unless otherwise extended or terminated as provided herein.

1.3 The City Manager will approve and execute each extension or terminate the agreement at the end of any given term.

2.0 Services to Be Performed by CONSULTANT

2.1 CONSULTANT shall perform the services as generally described in the Scope of Work set forth in Exhibit "A" to this Agreement, and other services as may be further specifically designated and authorized by the CITY in writing. Such written authorization will be referred to as a Consultant Services Authorization (CSA) and all provisions of this Agreement apply to the executed CSA with full force and effect as if reproduced in full within each written CSA. Each CSA will set forth a specific Scope of Services, maximum limit of compensation, schedule, liquidated damages, and completion date, and shall become effective upon due execution of the CSA by the City Manager.

2.2 The CONSULTANT is not authorized to undertake any project without a duly executed CSA, which shall specify the work to be performed and the time in which it is to be completed. CONSULTANT recognizes that execution of this Agreement is not a guarantee that work will be assigned to the Consultant, that Consultant is providing its services on a non-exclusive basis, that the CITY, at its option, may employ several different consultants to perform the work described, and that the CONSULTANT has not been employed as the exclusive agent to perform any such services.

2.3 When the CONSULTANT and the CITY enter into a Consultant Services Authorization (CSA) where the term of the CSA expires on a date that is later than the date that the Master Consulting Agreement (MCA) expires, the CONSULTANT and the CITY agree that the terms of the MCA and any amendments, attachments or provisions thereof are automatically extended until the expiration or full completion of the requirements of the CSA have been performed.
